The President's Plane Talk

Well, I'm looking forward to next Wednesday night, December 9th for our 14th annual event: "the GATHERING". Same place and same time. This year would be a great time to bring up to ten tools for the auction and make some money. In previous years, we have had around a dozen members bring in tools to auction. Hopefully, this year several more members will join the fun and make some cash. Just bring your tools and we will assign you a lot number and give you a simple form to fill out. It only takes a few minutes. We will have table tool sales and you have a one-table limit. Bring family or a friend, cash or check, tools to auction, a side dish or dessert and join us for a great evening of tool fellowship. I look forward to seeing you there.

Next on the list: The Tool Show at The ShowPlace will be Saturday 10–6 and Sunday 11-4 (note time change Sunday) on January 2nd and 3rd, 2010. We have been sponsoring this event for ten years and have noticed a decline in dealers, demonstrators and table workers.

PLEASE consider selling your tools that weekend. Tables only cost \$40 each. I will have contracts at the Gathering. Also, you can email me and I will attach a contract. longsbassball@comcast.net We need some folks to demonstrate a trade and some folks to work our RATS information table to help recruit new members. We usually get 4-8 new members during this weekend. This recruitment brings in fresh and hopefully, active members to our club. This is the lifeline to our club's success over the years. So, think about this and really consider some level of involvement. Also, if you are unable to help, demo or sell, please show your support by attending the tool show and spreading the word around. Remember, there will be 200 antique dealers participating along with the tool dealers. This event is always well attended and open to the general public.

Finally, our February meeting will be at Pocahontas Middle School will be on a Friday TBA. April's meeting TBA. We will send out a postcard and email to all. We will arrange a speaker and topic to be announced.

Plane and Simple,

Rick Long
